

360°[®]

Classroom Furniture

adaptable | configurable | comfortable

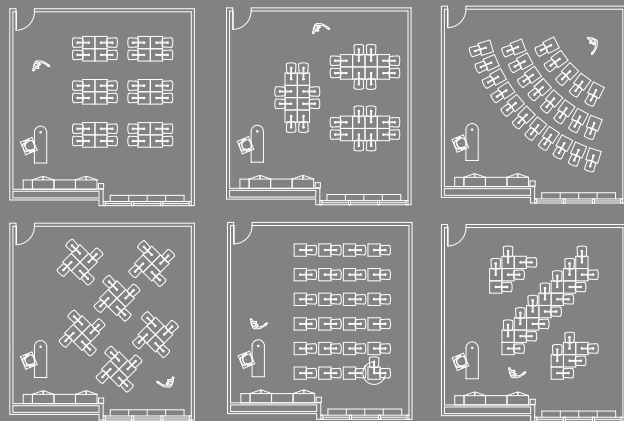

Furnishing Knowledge[®]

Rear casters provide full lateral movement 360 degrees. Weight-sensitive feet prohibit movement while seated.

Front casters provide front and back movement with a simple lift of the seat.

Unlimited educational possibilities...

change, adapt, transform.

Adjustable Depth – For better student fit, worksurface depth adjust 4" forward or backward in 1" increments.

Self-locking rollers – For safety and control, weight-sensitive rollers allow unit to rotate only when unit is unoccupied.

Optional book racks or book boxes – To keep workspaces clear of clutter, racks or boxes provide storage space.

360° Classroom Furniture

360° furniture provides the ultimate in adaptability, configurability and comfort.

Innovative Adaptability

Roll it. Rotate it. Swivel it. Adjust it. 360° units adapt to any teaching needs (lecture, collaborative or individual). It's recognized as truly innovative and won the Best of NeoCon Gold.

Flexible Configurability

Rotating units allow students to quickly and easily face any direction. They also roll like a wheelbarrow for easy, quick, and quiet classroom reconfiguration. Units are easy to clean under and around.

Comfort and Durability

Seats swivel so students track teacher movement without twisting. Seat height and worksurface depth adjust for individual comfort. Optional automatic seat and automatic height returns keep rooms looking neat.

360° is built to endure the demands of educational environments. Low life-cycle costs are ensured by KI's 1-5-year warranty.

Three shell options:

Intellect Wave, Strive, and Torsion

Two worksurface shape options:

Rectangular and Square

Specifications:

Footprint with square worksurface
W 24" D 40-44"

Footprint with rectangular worksurface
W 24" D 38-42"

Strive seat height - 14.25"-20.5"

Intellect Wave seat height - 15-19.5"

Torsion seat height - 16-20.5"
