DISTINCTLY DIFFERENT. REMARKABLY VERSATILE.

Designed by Giancarlo Piretti, Perfect Pivot is a patented, frictionless mechanism that exactly mirrors your natural body movement, creating the ultimate in sitting comfort.

Contoured back provides support and flexes sideways – twisting when you twist. Contoured seat delivers a conforming, comfortable, long-term sit.

Style and color options abound. Unique, high-design translucent backs make a statement. Or choose all-poly seats in neutral or bright colors for hard-use areas. For a more refined look, seats are also available with seat and/or back upholstery in Pallas, KI in-grade, or COM fabrics.
