Jive® | Tables

## Sit, Stand, Collaborate

Jive collaborative and side tables complement group spaces and social settings where people interact—from quick collaboration to casual lounge conversation. With fixed-height options for lounge and standing postures, and a height-adjustable disc base, Jive offers healthy solutions that promote movement to foster well-being. As needs change, Jive tables makes it easy to reconfigure rooms or floorplates.

### From Formal to Informal

With an expansive offering that includes 13 top shapes, five fixed heights, and several base styles, Jive conference tables give designers an array of options for design freedom. Support today's workspace needs for both formal meetings and informal gatherings through a breadth of application variety that fits small meeting spaces and large conference rooms.

## Adapt the Layout

In dynamic applications where learning occurs, Jive training and multipurpose tables are easy to move and reconfigure, so people can stay focused and engaged. A variety of top shapes and height options ensure workstyle needs are met. Mobile C-leg and T-leg tables support active spaces and interaction while the flip-top option with one-handed operation makes storage easy when the space is reconfigured.

## Design Choices

Jive tables are offered in standard Haworth laminate and wood finishes with edgeband or knife edges to coordinate across the broader Haworth product platform.
