Junior Tables

Junior tables combine classic styling with key performance features that meet the demands of childcare centers, children's waiting areas and more. Winner of an Early Childhood News award, Junior tables passed the criteria for age appropriateness, durability, safety, effectiveness and fair price.

Durable

Finished with a durable bullnose edge, Junior tables are tough enough to withstand intense use. Glides feature 3/4" adjustability for leveling without tools.

Adaptable

Four heights and a wide range of dimensions let Junior tables adapt to any age group or any application.

Colorful

Mix and match colors from a broad palette of laminates, chrome or powder coated frames, as well as edge and glide colors. Glides coordinate with either edges or frames.

The choice is yours.

Junior tables come in round, square or rectangular shapes in a variety of dimensions to work well in any application. Choose which of four available heights best suits your needs.
