

LEYTON | WOOD

krug

Leyton's design range includes versions with arms, without arms, and with a wood surround on both armed and armless styles - please refer to the two additional Leyton brochures to see the full product range.

Seat and back cushions are fixed, but can be specified as removable (upholstery covers are replaceable on the removable versions) Table tops are available in standard and custom ranges of quarter- and rift-cut veneers, solid surface, and laminate. Heavy duty construction and material options make Leyton a solution for higher traffic and intensive use settings, including bariatric applications.

All products are air emissions certified and are available as FSC® certified

An elegant and modern blending of wood, metal and upholstered elements, Leyton Wood instills a sense of natural warmth in both public and private spaces. Available in both armed and armless versions, Leyton Wood is offered in a range of standard and custom quarter- and rift-cut veneers, as well as Palette solid color finishes. Extra-durable edgebanding is used on edges to help reduce wear. The base on both the seating and tables is polished chrome.
