

Come together with *Particles*, a delightful collection of modular benches and tables that collectively are greater than the sum of their parts. Geometric in shape, each component is available as a stand-alone piece or can be combined to create imaginative configurations of all sizes. When preferences or requirements change, simply break apart and reconfigure to transform into another inspired arrangement.

#1328 28" Wide Modular Bench, Inward Taper
#1370-2825-W 28" Wide x 25" High Modular Table, Wood Top

#1322 20" Wide Perching Bench, Outward Taper
#1328 28" Wide Modular Bench, Inward Taper

Sharing the same fanciful design elements as its grown-up counterpart, Particles Junior is exceptionally comfy and just the right size for youngsters of all ages. Configurable in a variety of creative shapes that intuitively support playing together – or learning and listening – the stage is set for nothing less than whimsy, wonder and fun. With their rough and tumble personality and spritely silhouettes, these pieces mix and match with moxie and soar with possibilities!
