ESSENTIAL MOVEMENT — AS YOU LIKE IT

Ruckus represents the concept of movement as essential to cognitive development and learning. Students choose how they relate to Ruckus – its generously sized seating encourages an “as you like it” sitting experience.

A revolution of thought and action

It's not so much an evolution as a revolution. It looks like nothing else. It can be used like nothing else. It's Ruckus, a simple, inspiring, and astonishingly innovative collection that supports today's learning space transformations like nothing else.

Fostering student **engagement**

CHANGE ON-THE-FLY: FOCUSED TO INTERACTIVE

Ruckus quickly transitions learning spaces from “head’s down” concentration to more interactive group collaborations, while offering instructors the freedom to teach as they prefer.

Enabling **diverse** teaching styles
