Krug offers an extensive range of furnishings for private office and conferencing, and a comprehensive seating collection. A company-wide program is in place to reduce the impact of our products and process on the environment. For a copy of this program, or more information about products, please contact your local Krug representative, or Krug Customer Service. Terra is designed by Colin Stewart

Terra soft seating is Krug's interpretation of classic lounge design. Characteristic of Terra is its detailed dental molding on the front face of the chair, and tapered legs beneath. As an option, a sleek wood accent may be added to complement the curvature of Terra's arms. Seat cushions are fixed and hidden within is a unique coil spring suspension system that affords a level of comfort quite atypical in contract seating.
