

Bola Disc

Pablo Designs | Pablo Pardo and Pablo Studio | 2018

Bola Disc is a uniquely expressive LED pendant system with a distinctive range of chromated disc reflectors that give the illusion of weightlessness by mirroring the surroundings. Available in four distinct sizes, Bola Disc pairs an elegant opaline glass globe diffuser with exquisitely polished stainless steel or aluminum discs in four finishes. Suspend Bola Disc individually, in series, or as striking chandelier groupings for contract and hospitality settings alike.
