

Cielo XL

Pablo Designs | Pablo Studio | 2018

A taller, slimmer version of the Cielo pendant light, Cielo XL offers precise illumination in a premium machined aluminum finish. A fully dimmable state-of-the-art flat-panel LED provides focused light that is perfectly balanced and glare-free to deliver an efficient, brilliantly warm experience. Perfectly scaled for hospitality and contract environments alike, Cielo XL can be suspended individually, in a series, or as chandelier groupings and is infinitely height adjustable with the press of a button.
